

Hello, I'm

Eshwar Nellipudi

Frontend Developer

I'm an enthusiastic and motivated Frontend Developer with a strong foundation in creating responsive, user-friendly web interfaces. I have hands-on experience with HTML5, CSS3, and JavaScript, and I enjoy transforming ideas into functional, visually appealing websites and web applications. I am passionate about staying up-to-date with modern web technologies and best practices.

About Me

Experience

Fresher
Frontend Developer

Education

B.Com Computer Applications
MBA Business Analytics

I'm currently expanding my skills in React.js, Git/GitHub, and responsive design frameworks like Flexbox and CSS Grid. I thrive in collaborative environments where I can learn from experienced developers, contribute fresh ideas, and grow both technically and professionally. My focus is always on writing clean, maintainable code and delivering a great user experience across devices and browsers.
